## 4:12 KIDS CHILDREN'S MINISTRY

---

### Checkout Process:

We are always willing to try new things, but after trying a different checkout procedure for a week, we have decided to continue with the original checkout process for the nursery-1st grade students. After service, please go through the fellowship room to pick up this age group (the same place where you dropped them off and how we had been doing it prior to the Mother's Day service). 2nd-5th graders will continue as we did last week. During one of the last songs, the students will join their parents. Please make sure that the students stay with their families until service is over.

### Lesson:

We are learning that we are stewards of God's creation. God created the heavens, the earth, and all that is in them. God created man to rule over His creation, and we have a responsibility to take care of God's creation and to use it wisely.

### Keep working on Rural Bible Crusade's Bible Memory Program:

Psalms 119:11 says, "I have hidden Your Word in my heart that I might not sin against You." In addition, your children can earn a free week at a Christian camp after memorizing 150 verses! See Jodi at the 4:12 KIDS check-in counter for more details on how to get started, or to receive a prize for completing a section of verses. If your children are earning a prize, don't forget to bring their pamphlet with you, as you will need to get it checked off to receive the prize!
