## God's Promise to David

2 Samuel 7:12-13; Isaiah 9:6-7; Luke 1:31-33

*King David brought the ark of God to Jerusalem and wanted to build a temple for the Lord. God sent the prophet Nathan to David with a message that he would not build the temple. Instead, God promised that one of David's sons would build it and that a special descendant, the Messiah, would establish an eternal kingdom. This promise was fulfilled when Jesus was born from the line of David.*
